### Message from the Directors

The Hope Connection School welcomes all new and returning students. We look forward to another successful semester with our students. Classes start on January 5, 2009.

The spring semester holds many exciting events such as Spring Break, school yearbooks, senior cap and gowns, senior class rings, senior graduation invitations and especially our graduating seniors.

The graduation ceremony is always very special because it honors each student's accomplishments and wishes them the best in their future endeavors.

### Vision Statement

Education is the process by which individuals are prepared to become productive members of a multi-cultural society. It provides individuals with the tools to think critically and act responsible in all aspects of life. Through a cooperative partnership with parents, educators, administrators, community and governments, this process can be effective and affective.

### Mission Statement
